

# Become a Kiron student and complete an official bachelor's degree!

## What is Kiron?

Kiron Open Higher Education is a non-profit organization with the mission to provide higher education for refugees, even though you don't have all the papers ready in order to apply to a regular university. Courses are mostly provided in English. And the best thing about it? It's completely free of charge!

## Student services

To support you through your studies, we offer you additional services like:

Buddy programme, language courses, study hubs, direct academics, career services, counselling service, mentoring programme. More information here: [kiron.ngo/for-students](https://kiron.ngo/for-students)

### Special offers for all students

200 mentors will provide you with online support for your studies and give you a quick start entering the job market.

500 spots in online German language courses available.
