

CERTIFICATION FOR APPLICANTS TO KIRON UNIVERSITY

Kiron University is a free online University. We want to provide higher education to as many people as possible; however, we are especially targeted to refugees and asylum seekers. By providing access to higher education for those most in need, we aim to build a more open and inclusive society in home and host countries alike. In order to ensure a balanced and equitable studying environment, we carry out a pre-selection of students to be admitted to our courses.

Kiron University will recognise as valid students those who fulfil one of the following conditions of admission:

- Nationality/residence from/in a country in situation of armed conflict, political instability, natural disaster and/or other circumstances beyond one's control which impose unduly hardship upon one's living conditions and/or endanger one's life;
- Due to their personal circumstances and/or migrant background have a difficulty in accessing higher education (identified as one the following grounds: lack of financial resources, lack of legal documentation, issues of capacity of the educational institution).

Hereby, I certify that I,
